

A Letter from our CEO

2021 Continued to challenge, motivate, and illustrate the fragility of our early childhood, school-age, and child serving systems resources both human and financial.

Fortunately, Ohio received Coronavirus Aid, Relief, and Economic Security Act (CARES) and American Rescue Plan Act (ARPA) funding, which have provided support to our programs and professionals.

These funds have been leveraged to maintain, recruit, and expand our system's workforce. Even with the limitations, reduced capacity and access, Ohio's children received quality early childhood and school-age programming. Many when faced with adversity retreat inwardly, our system continues to build, rebuild, and innovate.

Best Regards,

Todd Barnhouse

Our organization provides professional development and technical assistance to early childhood, child serving, school-age programs and professionals, along with support to providers, parents, and the community.
