

A Letter from our CEO

2022 proved that continued investments in the early childhood and school-age ecosystem are vital to the success of Ohio's programs, professionals, and families.

Over \$800,000,000 in one-time federal funding was infused into the system during this reporting cycle. As these one-time funds are depleted, it will be imperative that continued investment, advocacy, and support will be needed to provide high quality care and learning experiences for Ohio's children.

Best regards,

Todd Barnhouse
