5.0 OCCRRA Approvals Appeal Policy

Policy AP 5.1 OCCRRA Approvals Appeal Policy

Adopted: 03/30/2021

Last Revised: 9/23/2021 – Policy Number change

OCCRRA manages the Ohio Approval Instructor and Training Application Process via the Ohio Professional Registry (OPR). Instructors who wish to instruct and/or author professional development events through the OPR must submit an Instructor Application to determine if they meet the requirements to be an Ohio Approved Instructor. Training Organizations are eligible to submit a training application, if the instructor/author listed in the training application is Ohio Approved. This application process is necessary for training organizations to schedule and manage their Professional Development Events (PD Events) in the OPR.

OCCRRA's Approval Team processes all instructor and training applications to ensure requirements and policies meet the Ohio Approved Instructor and PD Event policies. OCCRRA's Approval Team acts on each application determining if the application is Ohio Approved, Non-Ohio Approved or Not Applicable (N/A), Additional Action Needed, or Unable to Verify for Ohio Approval.

If an instructor believes they should be approved as an Ohio Approved Instructor but have been denied, they should review the *Ohio Approved Instructor Requirements* to determine what requirements they do not meet.

If a training organization or instructor/author believes the training application should be Ohio Approved, but have been denied, they should review the *Professional Development Event: Create Event Requirements* to determine what requirements the submission does not meet.

Requests for a review or an appeal are to be submitted to appeals@occrra.org. OCCRRA's Director for the Office of Quality and Innovation will evaluate the review/appeal request. If additional information or documentation is required, the Director for the Office of Quality and Innovation will evaluate submitted additional information and documentation and respond with the results of the review to the professional who submitted the request (i.e. Training Organization Administrator, Instructor, Author) within 10 business days.

If after this review/appeal process the professional still believes their application should be approved, a formal appeal can be submitted. Formal Appeals are reviewed by OCCRRA's Professional Development Team and a member of OCCRRA's Leadership Team. Results will be returned within 10 business days.
